

Committee for the Future of Damascus

Subcommittee Minutes

Subcommittee Name: Public Information

Date: 6/23/2003

Meeting #: 57

Submitted By: Tim Giorgi

Attendees: Mike Hammons, John Briece, Chuck Kisselburg, Gary Fosberg, Dan O'dell, Dee Wescott, Ernie Platt, John Hartsock, Diana Lobo, Bill Dassenko, Tim Giorgi, Greg Dardis, Bob Shannon

1. Items decided/completed:

- Summer Workshop
Committee discussed "What are the goals?", "What will there be in 20 years?" "What is the scope of the meeting?" Primary goal of the meeting is to start to get the Values; make sure not to dwell on big Picture.
John presented the agenda which was approved by the committee. Diana's content approved with a few pieces removed (not going to use contacts by area and spreadsheet of sign up Info) Doors to open 6:30.
- Good Morning Damascus
Dan reported a smaller Group this time around. Talked a bit about the Neighborhood reps. Next meeting on July 11th

2. Items in progress:

- Observer Article
Article will contain the names of the reps from the Summer Workshop. Diana to put together and give to Julie on Wednesday.
- BBQ Burnout/ Day In the Park
CFD will have a Booth for both. T-shirts will be sold at BBQ, perhaps Day in the Park (Dan and Diana to check at next Day in the Park meeting). Tim will have Sign up sheets at the next public meeting. Marty and Chuck to bring booth materials and signs. Diana to get map mounted and check costs. We need Easels. Burn out is from 3:00- 6:00; be there at 2:00 for setup; 1 hour shifts for this. Day in the Park is from 10:00 - 4:00 (9:00 setup) - 2 hour shifts for this. Committee decided on a Puzzle for the kids at Day in the Park.
- Next Newsletter
Diana to write an article that recaps the Summer Workshop. Joyce was volunteered to write an article about the Day in the Park. Dan will write up an article about the BBQ Burnout. Chuck will add Metro people to the distribution list. Info needs to be to Tim by the 7th so we can send out before the community events.

3. Items on the radar screen:

Nothing discussed at this time

- 4. Items requiring CFD approval and applicable deadlines:**
Nothing at this time
