

Recruiting New Members for the Development Code Topic Specific Team

The City is recruiting volunteers for the Development Code Topic Specific Team (TST). This is a committee appointed by City Council to advise them on matters related to the City's Development Code.

The Development Code implements the policies of the Comprehensive Plan and contains the regulations for how land in the City of Damascus will be developed. A draft Damascus Development Code was completed last year, but more work needs to be done to complete the Code over the next year.

Those committing to serve will attend meetings twice monthly to review and approve code sections to be recommended to the Planning Commission and City Council.

Citizens interested in serving may apply by filling out the committee application form available on the city website at www.ci.damascus.or.us. Hard copies are available at City Hall, located at 19920 SE Highway 212. Submitting an application does not guarantee a spot on this or any other committee. All committee members must be appointed by the Mayor with the Council's consent in accordance with the City Charter, chapter 3, section 8.

For more information, contact Bob Short, Associate Planner at 503-658-8545 or bshort@ci.damascus.or.us. You may view meeting records and documents pertaining to the Development Code TST on the City website at www.ci.damascus.or.us under City Hall/Committees.
